December 17, 2019 (Week Early for Holiday)
0900-1000 FS37

Meeting Called by: Todd Matthews (BNC)

Attendees: Josh Smithee (CMF), Todd Matthews (BNC), Jason Barker (DIX), Robb Herrick (FRF), Matt Moreno (VAC), Greg Renucci (SUC)

Guest: None

Meeting Notes: Called to Order 0908

The group continued talks about the potential benefits of conducting quarterly trainings for all the departments to participate in.

County wide coordinated Firefighter Survival Training to be scheduled for either January 21st or 22nd, 2020 at 9:00 am at FS38, 1633 Union Ave.

The group discussed the development of a county wide training calendar to help coordinate drills.

Chair was asked to make sure Cordelia Fire is getting the notices for the Training meetings

- FRF: IS host the first drill on January 21, 2020.
 - Firefighter Survival – Individual Stations to focus on different skill sets

- BNC looking to host the second quarter drill in 2020
 - *Strike Team Deployment to Valero Refinery*
 - *Class room session on facility operations*
 - *Facility tour and expectations during a large-scale incident*
 - *If weather conditions allow, conduct live-fire training on flammable liquids props.*

- BNC: Hosting Chief Officer Series starting in January through April one per month.

- BNC: Discussion with Barker about S-130 / 131 courses for BNC

- SUC: Looking for various trainings in the future to improve service delivery

- SUC: Will be providing ALS service to their community around April of 2020.
