---

---

- New Business

1. US&R Drill in Vallejo November 17, 2022: A liability waiver needs to be signed; ensure this is done before.
2. Solano TO meetings will be moved to the third Thursday of the even months starting in 2023 to align with the Ops Chief.
3. Solano US&R team will conduct in-person meetings on the third Thursday of the odd months.

- Old Business

1. The US&R drill was on September 15 in Dixon.
  - a. **Thank you, Dixon, for a great drill and positive feedback.**
2. US&R – MOU has been signed
  - a. **Chief Renucci is working with team leads to formalize the team more like Haz-Mat and work towards a common JPA that encompasses HAZMAT, FIU, and US&R.**
  - b. Each city has provided a list of equipment each department has and the level of training.
3. *Nozzle Forward – Week of November 14 (Dixon and or Fairfield to host)*
  - a. ***This has been postponed until 2023, possibly the 1<sup>st</sup> quarter.***
4. The Large Area Search Policy (Barker) concept policy was sent around the room for the departments to review.
  - a. **Chief Barker is to resend to the training committee for review with a response by the date to speed up the process.**
  - b. **CMF has a location is we choose to complete a countywide drill.**

## Discussion Items

- **URVI Drill in Vacaville they are looking for participation.**
  - A. **December 28 is Rescue Task Force Day – 0900 Will C. Wood**
  - B. **January 4 is a full URVI day with 24-28 victims allowing for Level 2 MCI.**
  - C. **Those wishing to participate should notify Chief Purnell by the end of November 30**

# Solano County Training Officers Minutes
